3<sup>rd</sup> November 2016

Dear Parents,

Examination week for Sixth Form students takes place between Monday, November 21 and Thursday, November 24.

All students in both Lower and Upper Sixth are on study leave on these days, and as such only need attend school to write examinations. Students are welcome to come in at any time to study, of course.

I expect all students to attend school on Friday, November 25<sup>th</sup>. Students with examinations will have directed study in the subject that they are being examined in. Everyone else will attend usual lessons throughout that day. After lunch there will be a special session on CV construction and marketing oneself in the employment market.

Yours sincerely,

**Craig McCormick**
