

7th November 2016

Dear Parent

Outdoor Education trip: 6th December 2016

As part of the enrichment programme at St Martha's, we would like to invite your daughter to Lambourne End Outdoor Education Centre. This trip is an excellent opportunity for your daughter to escape the classroom and develop crucial life skills such as communication, problem-solving and critical thinking.

During the trip the girls will have the chance to take part in teambuilding exercises, rope courses and archery – all of which will be delivered by qualified instructors with Miss Smyth and myself on hand. The trip will take place during normal school hours and transport is provided. Please can the girls bring a spare set of clothes as some of the activities may result in them getting wet or muddy.

The total cost of this trip will be £31. Please can you return the slip below plus payment to Miss Wilkins by 21st November. This will be a fantastic day out for the girls which will not only be fun, but also challenging and I do hope that your daughter will take full advantage of this opportunity.

Yours sincerely

Miss S Wilkins

Director of Sport

✂
