

St Martha's

From the Headmaster

28th November 2016

Dear parents

With the St Martha's Christmas fair taking place on Saturday 3rd December I would first of all like to thank the Parents Association for all the preparatory work they have done in order to make this event a success.

You will have all been sent two books of raffle tickets which now should have been returned with the money to your daughters form teacher. If this has not yet been done could I ask that they are returned as soon as possible.

We are also collecting bottles for the bottle stall every day this week so could I please encourage you to be as generous as possible with this during the week. Both the raffle tickets and the bottles are two inter house competitions which I know your daughters will be keen for their house to win.

For those pupils and students who have returned the sold raffle books and contributed to the bottle stall there will be a non-uniform day on Friday of this week. It is therefore important that your daughters check that the raffle tickets have been returned and the bottles added to the list for their house.

I know that the Parents Association would appreciate any help on Friday afternoon when the fair is being set up, on the Saturday morning of the fair to help man the stalls and of course tidying up afterwards. If you are able to help at these times would you be kind enough to email stmarthaspa@gmail.com to let us have your name and the time you are available.

I do hope to see you all at the fair on Saturday morning which is a wonderful opportunity for the entire St Martha's community to come together just before Christmas

Thank you in advance for your support.
