

11<sup>th</sup> January 2017

Dear Parents,

### **Geography Controlled Assessment Catch up**

The Geography department is holding extra sessions for the current 5<sup>th</sup> form Geographers to complete their controlled assessment. Discussions have been held with the girls on the suitable time this would be possible. We have agreed that Monday after school, 4 pm to 5 pm is an ideal time as most, if not all the girls are able to attend. The lessons will be held in the ICT suite and commence this coming Monday 16th January.

The aim of the running these extra sessions is so that the girls are able to continue with the syllabus as well as completing their controlled assessments.

This extra time is only until their deadline to complete the controlled assessment, which is February half term. I believe that this is an invaluable opportunity for the 5<sup>th</sup> formers and I hope that you will support us in this endeavour.

Yours sincerely,

Ms S Akhtar
