

St Martha's

From the Headmaster

May 2017

Dear Parents

As you are aware we have used the Brookwood Partnership as our catering providers for nearly 10 years. This year, we felt as a school that it was right to explore all options concerning this aspect of school life and so with the Governors we invited a number of companies to bid for the contract to provide the catering for our school.

As part of the process we ensured that staff, governors and the girls were part of the presentations and had the opportunity to ask questions and sample the food that would be offered. I am incredibly appreciative of the time they gave to be part of the process.

We have made the decision to award the contract to Thomas Franks who not only provided an exceptional presentation and sample of what they could offer but also presented many exciting opportunities for the delivery of catering for our school moving forward.

I am excited that this is another area of school life that will be transformed. With the help, support and expertise of Thomas Franks we will be offering an outstanding dining experience which I know will enhance the all-round experience our pupils and students have with us.

Thomas Franks will be taking over the provision from July 1st so they have the opportunity to get to know our likes and dislikes and I am confident that their experience in September will be incredibly positive.

Mr Matthew Burke, BA (Hons), PGCE, Ad Dip Ed, NPQH
