

9th May 2017

Dear Parents

There are just over two weeks of your daughter's formal education left until Study Leave commences on 26th May. All teachers have now finished curriculum teaching and are now focussing on exam technique and the analysis and completion of past papers. As such, it is essential that your daughter continues to attend every lesson that she can in order to be best prepared to succeed in her upcoming final examinations. As May 26th itself is our Celebration Day and as such, all Upper Sixth will be in school to celebrate the end of their formal secondary education with Leavers Mass and Luncheon followed by the Prize Giving Ceremony.

Students who are sitting examinations before 26th May are entitled to study leave for the session prior to the examination taking place, the afternoon prior for a morning exam or the morning before an afternoon exam. This must be taken with the consent of myself and the Headmaster.

If there is anything else you feel we can do to best enable your daughter to succeed, please do not hesitate to contact me.

Yours sincerely,

Craig McCormick
Head of Sixth Form.
