

St Martha's

From the Headmaster

3rd July 2017

Dear parents

I am writing to you to confirm a change in arrangements for lunches which will be effective from January 2018.

As you will be aware, a lot of investment is being made over the summer in dining facilities in both the dining room and the new Mount House Cafe which, together with our new caterers Thomas Franks, we believe will lead to a much enhanced dining experience for your daughters.

For those of you who attended our information evening last Monday, you will be aware that this was mentioned by the Chair of the Board. From January 2018 there will be a charge of £250 per term for school lunches and this item will appear on the termly invoice.

We are keen to ensure that your daughters have the best experience inside and outside the classroom and I am confident that you will see significant changes in the quality and service of food from September.

May I take this opportunity to thank you for your continued support? At this time of change for us all I have really appreciated your kind words and I thank you for being part of the exciting future that our school has.

Best wishes
